EXPERIENCE

WEB DESIGNER & DEVELOPER —

MCHAMP ENTERTAINMENT PVT. LTD.

April 2024 - Present

Designed and developed a comprehensive app and website with 400+ user-friendly screens, ensuring a seamless UX/UI experience.

Created responsive, pixel-perfect designs for web and mobile applications using HTML, CSS, JavaScript, and modern design tools like Figma, Adobe XD, and Sketch.

Collaborated closely with backend developers to integrate frontend components with server-side systems efficiently.

Built reusable UI components and a modular design system to improve development speed and scalability.

Delivered high-quality solutions within tight deadlines, maintaining industry standards in both design and development.

FRONTEND DESIGNER & DEVELOPER —

Sheryians Pvt. Ltd.

Dec 2022 - March 2024

Designed and developed modern, user-friendly interfaces using HTML5, CSS3, JavaScript, and Bootstrap, ensuring adherence to web standards.

Created interactive prototypes and wireframes using Figma and Adobe XD, facilitating seamless client collaboration and feedback.

Collaborated with cross-functional teams to translate UI/UX designs into responsive and interactive web applications.

Focused on responsive design and accessibility, enhancing the user experience across multiple devices.

Collaborated with cross-functional teams to translate UI/UX designs into responsive and interactive web applications.

PROJECTS

■ Cricket App and Website Design & Development

Designed and developed a feature-rich cricket app and website showcasing match updates, news, articles, and player statistics.

Created 200+ app screens and a fully responsive website using Adobe XD, ensuring an engaging, intuitive, and user-friendly experience.
